

AMICALVA

2024 SPRING SUMMER  
COLLECTION

"amialva" is an ancient fish surviving  
for centuries without evolving internally and externally.  
What we strive for is to seek the perfection in both design and function,  
just like an ancient fish, "amialva" has not needed any changes itself from birth.

ΑΠΙΛΑΧΑΥΑ

A row of red canvas tote bags is shown against a dark, textured background. The bags are arranged in a line, with the central one being the most prominent. The lighting highlights the texture of the canvas and the stitching of the handles and bottom. The Greek word 'ΑΜΙΑΣΑΦΥΑ' is printed in white, uppercase letters across the middle of the central bag.
